The President's Corner

Hi guys!

It is time for the Christmas Party! Get ready for fun and games with lots of food. We will have a great raffle and a even better contest! The theme is any thing recently built, like in the last 4 months. Also Dirty Santa will be coming by, maybe we should pick tag teams before we start. Just bring a gift wrapped model kit of average price (less than \$20) and watch

what happens. Remember, if you don't bring in a kit for the exchange, you are **NOT** eligible to participate!

Also, there is still time to pay your dues. I hope to see you all at the Sunday meeting.

The Secretary's Desk

Dues are due! There's still time, so let's get 'em paid! You will be dropped from the rolls shortly after the New Year if you are not paid up!

We are having a Group Build for 2014! See below for details! We are also trying out a new concept for the Quarterly Contest. See below!

I'm looking forward to the Group Build! Hopefully, it will generate a lot of cross communication between members and perhaps some sharing of ideas and tips!

'Till next time, Merry Christmas and Happy New Year!!

Secretary*

Spotlight

Group Build to be officially announced at this month's meeting.

Thanks to Ted Bamber, we got eight (8) 1/48 scale kits for the 2014 Group Build. The selected kit is the 1/48th scale HobbyBoss Hellcat. We got 4-[1:48 HobbyBoss F6F-5 Hellcat - HY80339](#) and 4 -1:48 HobbyBoss F6F-3N Hellcat - HY80340 **The cost is bring \$16.09 for the kit and you must bring the money to receive the kit.**

The Group Build runs from December 2013 to December 2014. So you have a year to build this kit. There are also a ton of aftermarket products available for it.

We will hold a drawing for the 2014 Quarterly Contests. Subjects will be placed in a bowl (or bowl like object) and four will be drawn (March, June, September and December).

Magazine Donation

Do you have old modeling, hot rod or gun magazines you don't want or need anymore? I have a solution. My lovely wife is a psychologist in one of the poorer regions of West Virginia. Many of her clients are children from elementary school through high school. As an incentive for them if they follow her instructions they get a free magazine. She says the modeling magazines like FSM, Scale Aircraft and Scale Auto, along with Hot Rod and my American Rifleman magazines are very popular. If you have a stack of these you are looking to go towards a good cause please bring them to the December meeting. I'll have her take them to work where they will be very appreciated (just like the Green Goblins I sent down). Thanks.

Perfume

I want my husband to pay more attention to me. Do you have any perfume that smells like model glue?
